

# OXFORD AND CAMBRIDGE — CLUB —

**RECIPROCAL CLUBS**

## **RECIPROCAL CLUBS**

Using our reciprocal clubs is easy, opening up a worldwide network of 153 clubs in 36 countries.

Most of these clubs have websites which are almost invariably full of good information about their facilities, times of opening, and detailed location. Members should make their own arrangements directly with reciprocal clubs. If a letter of introduction is required please contact the Oxford and Cambridge Club on 020 7321 5176 or email [club@oandc.uk.com](mailto:club@oandc.uk.com). Members should always carry their card of introduction (the membership card issued at the end of January) when visiting reciprocal clubs. Obviously Members should observe the rules and regulations of the host club.

Clubs are listed alphabetically by country and then by city. The textual commentary attached to each club entry shows the principal facilities. Members seeking more information are invited to make direct contact with the clubs concerned.

Members are reminded that several clubs do levy a guest charge. All bills should be settled directly with the reciprocal club and before leaving.

We learn much from the comments of our Members. It would be positively helpful to tell the Secretariat about your experiences in, or your impressions of, any club that you visit.

The Club website [www.oxfordandcambridgeclub.co.uk](http://www.oxfordandcambridgeclub.co.uk) will be updated regularly, so please check online for any amendments or additions.

At the time of going to press details are correct.
